

Djavan - Azul

tom:

Am

Am Eb

Eu não sei
 Se vem de Deus
 Do céu ficar azul
 Ou virá
 Dos olhos teus
 Essa cor
 Que azuleja o dia
 Se acaso anoitecer
 E o céu perder o azul
 Entre o mar e o entardecer
 Alga marinha
 Vá na ma_____resia
 Buscar ali
 Um cheiro de azul
 Essa cor não sai de mim

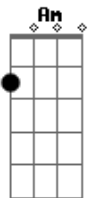

Bate e finca pé

A sangue de rei

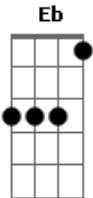

[Refrão]

Até o sol nascer amarelinho
 Queimando mansinho
 Cedinho, cedinho cedinho
 Corre e vá dizer
 Pro meu benzinho
 Um dizer assim
 O amor é azulzinho
 Até o sol nascer amarelinho
 Queimando mansinho
 Cedinho, cedinho cedinho
 Corre e vá dizer
 Pro meu benzinho
 Um dizer assim
 O amor é azulzinho
