Eu vou lá na Malá-----sia te ver se vo---cê pra Á-----sia  
 for  
 Eu nem con--taria de um a--té três pensei, já fui  
 Já que eu posso sem asas voar sempre que tu me  
 beijas  
 Não é his---teri-a querer estar onde tu estejas  
 Impossível é ela não su---cumbir tudo se faz por amor  
 Princesa se humilha vidas se anula vidas flores se dão  
 Eu vou seguir nas noites de medo e dramas

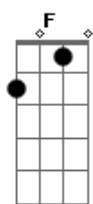

Vou ca--valgar o monstro sagrado do amor

Cruzar o espa--ço a procu-rar minha estrela, es-tre----la  
 Saiu com a noite e me deixou
