

# Djavan - Ânsia de Viver

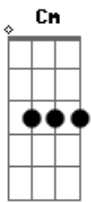

Tom: G

Intro: G7M Cm

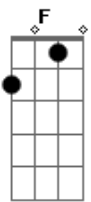

Se pretender me dominar  
 Sou escravo  
 Visando a nada lhe faltar  
 Me endivido  
 E nessa ânsia de viver  
 Eu me mato  
 Pra me aquecer  
 Com o seu calor  
 Se quer saber por que você  
 Logo direi  
 É um bater descompassado  
 Que me vem  
 Nem é preciso Deus dizer

O certo sou eu  
 Pra conviver  
 Com os lábios seus  
 E na luz que existe  
 Para o dia iluminar  
 Vê-se um par romântico  
 Se beijar se olhando  
 No fundo azul  
 É zoom, é zen  
 Você e eu  
 E mais ninguém  
 Já que o amor soberano  
 Pode enxergar no escuro  
 Vou estar sempre esperando  
 Você me aclamar  
 O seu porto seguro
