

Djavan - Ridículo

tom:

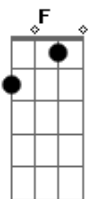

Intro: F F Gb Am
 Não há o que fazer
 Eu nasci
 Com tudo pra seguir
 Comigo aprisionada a você
 A mesma raiz
 De uma vida
 A dois
 Capaz de até morrer
 Por amor
 Eu não via nada
 Mais sublime
 Só em seu abraço
 Eu me encontrava
 Ridículo!

Am E7
 E fui descobrindo
 Em cada gesto
 A sanha
 De quem nunca prestou
 E chorei até ruir
 (Am Am Am Am)
 Como é que eu pude
 Ter a quem
 Nunca me quis?
 E me enamorei
 Fui feliz
 Me casei
 Com alguém
 Que nunca
 Existiu
