

# DMA's - Blown Away

tom:  
Intro: E B Gbm  
E B Gbm

[Primeira Parte]

E  
Don't let it go to waste  
Measure lifetime and I need space  
Gbm  
To let you down  
E  
Memory in and out of shape  
B  
I can't understand your many ways  
Gbm  
I have to say

[Pré-Refrão]

E B A B A  
How can I protect you when I'm lost in the crowd?  
E  
I never let my feelings change you so I know  
( B Gbm )

[Segunda Parte]

E  
Mystified in a winter haze  
B  
The gust of you brought my heart back round  
Gbm  
But I'm still coming down  
E  
Thinking how we lost this place  
B  
To find your lonely turning in the night  
Gbm  
But I still need to fight

[Pré-Refrão]

E B A B A  
How can I protect you when I'm lost in the crowd?  
E  
I never let my feelings change you so I know

[Refrão]

Dbm  
It's all blown away  
B  
You don't have to come and say

Gbm  
If you never had the heart to feel it  
B E  
I'm still staring at the ceiling but I know  
Dbm  
It's all blown away  
B  
You don't have to come and say  
Gbm  
If you never had the heart to feel it  
B  
I'm still staring at the ceiling
