

# DMA's - Silver

tom:

E  
[Primeira Parte]

E  
Did you feel like heaven  
Did you ring like silver in the wasted light  
Still I?m trying to find

E  
Did you sing through the battle call  
Did you ring like silver in the wasted light  
Still I?m trying to find  
Saw it beneath your eyes

[Pré-Refrão]

A E  
It?s funny that I think of you right now  
A E  
Knowing all the years that turned to clouds  
B  
I?m still coming down

A E  
And you know it ain?t that way  
A E  
Feeling all the things I could not say  
B  
I?m still coming down  
A E  
You still coming round yeah

[Segunda Parte]

E  
Did you feel like heaven  
Did you ring like silver in the wasted light  
Still I?m trying to find

E  
Did you sing through the battle call  
Did you ring like silver in the wasted light  
Still I?m trying to find  
Saw it beneath your eyes

[Pré-Refrão]

A E  
It?s funny that I think of you right now  
A E  
Knowing all the years that turned to clouds

B  
I?m still coming down

A E  
And you know it ain?t that way  
A E  
Feeling all the things I could not say  
B  
I?m still coming down  
A E  
You still coming round yeah

[Refrão]

E  
How do I redefine, all my love for you I guess I  
B  
look to the sun with you  
A  
Look to the sun with you  
E

[Primeira Parte]

B  
I?m still coming down  
A E  
It?s funny that I think of you right now  
A E  
Knowing all the years that turned to clouds  
B  
I?m still coming down

A E  
You?re still locked in all these walls  
A E  
I?m way too tired to want it all  
B  
I?m still coming down  
A E  
You?re still coming round yeah

[Refrão]

E  
How do I redefine, all my love for you I guess I  
B  
look to the sun with you  
A  
Look to the sun with you  
E  
How do I redefine, all my love for you I guess I  
B  
look to the sun with you  
A  
Look to the sun with you  
A E A E  
How do I redefine, all my love for you I guess I  
B  
look to the sun with you  
A  
Look to the sun with you
