

Dmoraes - Stalkeando

tom: G

Eu abria a porta do carro ,Levava café na cama
 Te acordava com todo cuidado
 Pra você não fazer manha ,comigo é a moda antiga
 Por você era exagerado, xônado ,gamado
 Quem sabe talvez o ultimo romântico

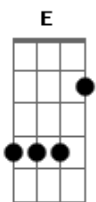

Mas você não estava acostumada
 A receber flores e Jantar a luz de velas
 Pensou que isso era tudo coisa de novela
 Me trocou por uma aventura sem graça
 E te deixa sozinha no fim de semana pra ir pra balada

Eu já estou sabendo

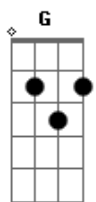

Que você passa o dia me stalkeando
 vem arrependida dizendo te amo
 Você pagou pra ver
 Você pensou o que ?
 Que eu iria chorar
 Fechar bar , me humilhar por você

Eu já estou sabendo
 Que você passa o dia me stalkeando
 vem arrependida dizendo te amo
 Você pagou pra ver
 Você pensou o que ?
 Que eu iria chorar
 Fechar bar , me humilhar por você
 Eu tó em outra bebe
