Capostraste na 1ª casa
Intro: C G D Em7 C G D

Primeira parte:
```
     C        G          D        Em7
I was always the one dodgin' phone calls
         C        G        D       Em7
From every girl that I met in my bed
          C        G        D        Em7
But then you came around like a brick wall
            C  Em7          D
You knocked me out,   out of my head
       C        G          D        Em7
Had me treating my Mondays like Fridays
       C      G          D       Em7
Had me flying so high with no smoke
         C          G           D      Em7
Always dreamin' of you, always with me
             C  Em7         D
Damn it, I feel, feel like a joke
```

Refrão:
```
           C    G    D           Em7
Speakin' truthfully, I'm not sure why we keep
C     G    D        Em7
   Fightin', You just go blame the bad
C  G      B7          Em
   Timin' and made it to me
          C    G    D                 C      G   D  Em7
Speakin' truthfully, I love you more than you love me
C G D
```

Segunda parte:
```
          C        G           D        Em7
Getting more of your time was a challenge
          C        G           D        Em7
```

Had me beggin' you like a schoolboy
```
          C       G          D        Em7
Started treating me like a bad habit
          C Em7               D
So now I'm left, left with no choice
```

Refrão:
```
           C    G    D           Em7
Speakin' truthfully, I'm not sure why we keep
C     G    D        Em7
   Fightin', You just go blame the bad
C  G      B7          Em
   Timin' and made it to me
          C    G    D                      Am
Speakin' truthfully, I love you more than you love me

         C             Cm          G
Now I know there's no use trying
          Em            A7
To get me and you on the same page
                                C      D
When you say that you love me you lyin'
```
