

D.O. (EXO) - Rose (English Version)

tom:

C

I see you driving your car down to

School (yeah, yeah, yeah, yeah)

Your lips are so fine and you're looking

So cool (yeah, yeah, yeah, yeah)

I know you've noticed me too

And if I'll be honest with you now, maybe, I'm thinking maybe

(Yeah, yeah, yeah, yeah)

If you need a lover, let me know oh-oh-oh and let me in

I could treat you better, steal you ro-o-o-oses every day

I might not have a fancy car, but I fancy you

So gimme a chance if you need a lover, baby

[Segunda Parte]

They look at me when I'm looking at you (yeah, yeah, yeah, yeah)

I don't give a damn 'cause it's all

I can do (yeah, yeah, yeah, yeah)

Please don't go breaking my heart

Tell me you're aching for me now, baby, baby

(Yeah, yeah, yeah, yeah)

If you need a lover, let me know oh-oh-oh and let me in

I could treat you better, steal you ro-o-o-oses every day

I might not have a fancy car, but I fancy you

So gimme a chance if you need a lover, baby

[Ponte]

Any flowers ain't your pain

I got so much love to give you, babe

As long as you feel the same way

You know we can do whatever you want

You just need to either let me come inside

Or leave me standing in the rain (yeah, yeah, yeah, yeah), oh

[Refrão]

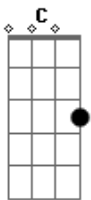

If you need a lover, let me know oh-oh-oh and let me in

I could treat you better, steal you ro-o-o-oses every day

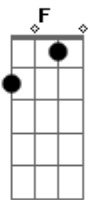

I might not have a fancy car, but I fancy you

So gimme a chance if you need a lover, baby
