

# Dodie Clark - Burned Out

tom:  
**A**  
 He was certain  
 So was I  
**Db**  
 There was comfort  
 In her sighs  
**Bbm**  
 Dreams and ideas should not be the same thing  
**Ab C**  
 You waited, smiling for this?  
**Fm**  
 Oh, she'd want it  
 If she knew  
**Db**  
 She could take it  
 I thought too  
**Bbm**  
 Be careful, be cautious but you just wished harder  
**Ab C**  
 You waited, smiling for this?  
**F**  
 "But they love you!"  
**Bb**  
 Over and over, "they love you!"  
**Dm**  
 Thousands and thousands of eyes just like mine  
**F Bb**  
 Aching to find who they are  
**F**  
 "Oh, they love you!"  
**Bb**  
 Oh, you can feel how they love you!  
**Dm**  
 Coated and warm but that's all they can do  
**F Bb**  
 Words only get through if they're sharp  
**Fm**  
 Oh, how fitting  
 For one so fake  
**Db**  
 Make me a fairy  
 Whatever it takes  
**Bbm**  
 And just like a tale my dream was a scam  
**Ab C**  
 You waited, smiling for this?

**Fm**  
 I am burnt out  
 I smell of smoke  
**Db**  
 It seeps through her cracks and so I start to choke  
**Bbm**  
 Sentences sit in her mouth that are templated  
**Ab C**  
 You waited, smiling for this?  
**F**  
 "But they love you!"  
**Bb**  
 Over and over, "they love you!"  
**Dm**  
 Thousands and thousands of eyes just like mine  
**F Bb**  
 Aching to find who they are  
**F**  
 "Oh, they love you!"  
**Bb**  
 Oh, you can feel how they love you!  
**Dm**  
 Coated and warm but that's all they can do  
**F Bb**  
 Words only get through if they're sharp  
**Ab Bb**  
 Oh, maybe I'll talk about it (maybe I'll talk about it)  
**Ab Bb**  
 I can just talk about it (I can just talk about it)  
**Ab Bb**  
 I'll never talk about it (I'll never talk about it)  
**Ab Bb Bb**  
 No, I cannot talk about it  
**Fm**  
 Don't build hope on something broken  
**Fm Bb**  
 I am not cartoon  
**Fm**  
 Cry for help  
 I am not joking  
**Fm Bb**  
 I might just leave soon  
**Fm**  
 Don't build hope on something broken  
**Fm Bb**  
 I am not cartoon  
**Fm**  
 Cry for help  
 I am not joking  
**Fm Bb**  
 I might just leave soon
