I wanna pick you up and scoop you out

I want the secrets your secrets haven't found

Oh, I'm so human

Maybe I'm a psycho just like you said I was
You got me right but baby its not my fault

Oh and I know and I know and I know that I've been acting so strange

But you should know that you're the one who made me this way

I'm a psycho just like you said i'd be

Not gonna fight the way I am naturally

Oh and I know and I know and I know that I've been acting so strange

But you should know that you're the one who made me this way

Mmmmm ah ah
Mmmmm

Psycho
Psycho

I feel like all of this has aged me

Right on the edge of twenty two

You look like you've just seen a monster

Is that what I look like to you

Oh won't somebody hold me and tell me it'll all work out

Say there is nothing to worry about now

Cos I'm so sick of the drama and I hate to shout

But you drag it out of me

But I could be your crush, like, throw you for a rush, like

Hoping you'd text me so I could tell you
I been thinking 'bout your touch like

Touch, touch, touch, touch

I could be your crush, crush, crush, crush, crush

I got a fascination with your presentation

Making me feel like you're on my island
You're my permanent vacation

Touch, touch, touch, touch, touch

I could be your crush, crush, crush, crush, crush
