

Dodie Clark - It Me Ur Valentine

Tom: G

It's the day of love
And I guess I'm your date
You partook in a youtube game
But we can call it fate
Cause if this wasn't manufactured
If it weren't pretend
Here's a list of reasons why
You wouldn't date me again
My room's a mess
I usually dress
Like I am twelve years old
My temper's bad
I'm always sad
I complain when I'm cold
I'm usually touring
Usually boring
Enneagram 4

I lose my keys
You'll never see
My bathroom floor
I cry every day
I'm always late
I chew my pens
I've not seen friends?
Not great with dogs
I monologue
I pick my skin
Drink too much gin
Leave you on read?
Have a loft bed
Never unpacked
Always jetlagged
Insufferable
Uncomfortable
Incapable
Undateable
