       Em C D  
       Em C G D

Em                          C          D  
 I'd like to see you in the morning light  
 Em                          C          G D  
 I like to feel you when it comes to night  
 Em                          C D  
 Now I'm here, and I'm all alone  
 C          D          B B B  
 Still I know how it feels  
 C D  
 I'm alone again

Em                          G          D  
 Tried so hard, to make you see  
 Em                          G D A  
 But I couldn't find the words  
 Em                          G          D  
 Now the tears, they fall like rain

C          D          Em  
 I'm alone again without you  
 C          D          Em  
 Alone again without you  
 C          D          Em B  
 Alone again without you

C          D          Em  
 Alone again, without you  
 Em                          C          D  
 I said stay, but you turned away  
 Em                          C G D  
 Tried to say that it was me  
 Em                          C          D  
 Now I'm here, and I've lost my way  
 C          D          B B B  
 Still I know how it feels  
 C D  
 I'm alone again

Em                          G          D  
 Tried so hard, to make you see  
 Em                          G D A  
 But I couldn't find the words  
 Em                          G          D  
 Now the tears, they fall like rain

C          D          Em  
 I'm alone again without you  
 C          D          Em
