

# Dolly Parton - Mama Say a Prayer

Tom: **D**

So, Mama, when you pray tonight,  
 The bright lights of this city are a pretty sight to see,  
 perhaps they're extra pretty to a country girl like me.  
 Temptation waits at every turn, and it won't let me be.  
 So, Mama, when you pray tonight, say a special prayer for me.  
 I miss your tender goodnight kiss of love and understanding,  
 the good night kisses I get now are cruel and so demanding.

So, Mama, when you pray tonight,  
 and while you're on your knees,  
 Mama, say a special prayer for me.  
 The nights get cold and lonely, when you're far away from home,  
 and lonely makes it easy for a good girl to go wrong.  
 Evil eyes search through the night for lonely girls like me.  
 So, Mama, when you pray tonight say a special prayer for me.
