

Dolores Duran - Fim de Caso

Tom: C

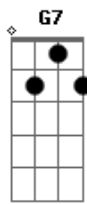

Eu desconfio
 Que o nosso amor está na hora de acabar
 Há um adeus em cada gesto em cada olhar
 Mas nós não temos é coragem de falar
 Nós já tivemos a nossa fase de carinho apaixonado
 De fazer versos, de viver sempre abraçado

Naquela base de só vou, se você for
 Mas derrepente fomos ficando cada dia mais sozinho
 Embora juntos cada qual tem seu caminho
 E já não temos nem vontade de brigar
 Tenho pensado e Deus permita que eu esteja errado
 Mas eu estou, estou desconfiado
 Que o nosso caso esta na hora de acabar
