

Dom Moem - Profundo do Teu Amor

tom:

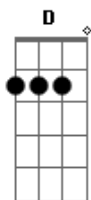

Ha um vazio
 Que so tu podes encher
 Uma tormenta
 Que so tu pode acalmar
 Sedento estou Senhor
 Por conhecer-te mais
 E beber do rio que flui de ti
 Quero amar-te
 Com o mais profundo amor

Atrai me oh Cristo e abraça-me
 Quero amar-te
 Mais profundamente oh Senhor
 Mais do que antes te amarei
 Oh te quero amar com o mais profundo amor
 Cada manha
 Senhor te buscarei
 E por teu Espirito
 Tua graça encontrarei
 Em ti eu encontro esperança eternal
 Em tua presença pra sempre estarei
