Tom: E

m [Intro] Am D7 Gm C7 Fm B7 Em E7 Em Am B7

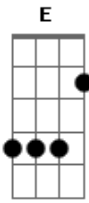

Em Am B7 Em E7
Minha ilusão já terminou

Pois o meu cabelo embranqueceu
D7 G
O que era lindo, para mim

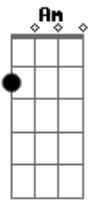

Hoje é singelo
Gb F7 B7
Só a esperança não morreu
E7 Am

Eu não sou culpado dessa idade avançada
Em Gb B7 Em
A velhice foi presente que a vida me deu
D G
Até os meus amores que eram muitos acabaram
B7 Em E7
E os elogios das mulheres se esgotaram
Am D G
Só a minha mãe não me apaga de sua lembrança
Gb B7
Diz que eu fiquei velho mas continuo criança
E7 Am
A realidade já tomou conta de mim
Em Gb B7 Em Am B7
Pra que chorar se essa vida é mesmo assim
