

Dominginhos - Tudo É São João

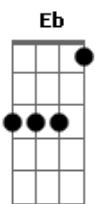

Tom: Bb

Eu quero você linda loira e cintilante
 Numa noite de São João dançar ao ar livre
 Sobre os olhos de uma estrela brilhante
 Você tão linda, menina bonita, faceira canção
 Seus olhos são duas fogueiras

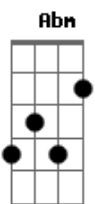

Gm7 Cm7 F7 Bb7 Eb
 Me fazem arder de paixão

Quero brincar com esse fogo girando que nem pião
 Porque seu jeito nordeste, solta foguete e balão
 Dançar quadrilha, xaxado, xote, forró e baião
 Alegria, alegria tudo isso é São João
 Alegria, alegria tudo isso é São João
