Tom: Eb

(com acordes na forma de D)

Capostrate na 1ª casa

I know I need you now and I hate it
 I'm scared that If I lose you I won't make it
 But ain't nobody do me like you do
 The way you break my heart in two
 So tell me hope... why am I still holding onto you?

You have really been the only way to
 Live through the civil wars, and
 Nine elevens and holocausts then

Dream of a better dawn
 I remember when you taught me how to fly
 I used to treasure you like gold
 When ignorance was bliss back then
 But so much has changed with time

I've watched some people die since then
 Now I've lost most fights that I've fought and
 I feel more broken than whole and
 I've cried more than often than not

And I know that it's you in it all
 So it makes me scared to trust you
 When you're so often full of it
 Pretend that I don't let it bother me
 But I do, and it does

I know I need you now and I hate it
 I'm scared that If I lose you I won't make it
 But ain't nobody do me like you do
 The way you break my heart in two

So tell me hope... why am I still holding onto you?

Your light used to keep me up at night
 Dreaming of all I could be
 Anything could happen, these days
 An unaffordable luxury

I love you, I ain't gonna lie
 You've been like water to my tree
 Now you're slowly drowning me
 And it's hard for me to see why
 We're still standing here

I know I need you now and I hate it
 I'm scared that If I lose you I won't make it
 But ain't nobody do me like you do
 The way you break my heart in two
 So tell me hope... why am I still holding onto you?

Maybe our time's come and gone on
 Me and you had a long time, a nice run
 But everything good always has an end come
 And maybe it's time you and I move on
 But you're the one carrying me to the next line
 Have I've let you let me down for the last time
 I need you more than I've ever had to
 But I don't want to

Don't let me lose you
 I know I need you now and I hate it
 I'm scared that If I lose you I won't make it
 But ain't nobody do me like you do
 The way you break my heart in two
 So tell me hope... why am I still holding onto you?
