

Dominic Fike - Dark

tom:
 Capotraste na 2ª casa
 Intro: D C

D C
 I'll be gone like summer, I'll be here like rain
 D C
 Far beyond my expertise where I'ma be that day
 D C
 When you're gone like sunburn or you're here like rain
 D C
 Far beyond my expertise where I'ma be that day

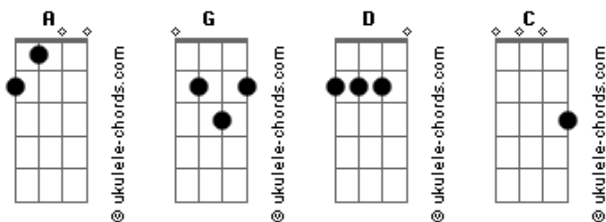

D
 There was a movement in the sky this morning
 C
 The clouds tore open and it started storming on me
 D
 Looking at the roof in this broke apartment
 C
 Watch in case the walls start closing on me

D
 I used to have an old beat black guitar
 C
 I used to sleep in all of these trashy cars
 D
 I used to make the beat and spit the rap in the closet
 C
 Before anybody cared who the rapper was

D
 And now my food got no taste
 C
 And my room got no space, and my head got so big
 D
 Don't remember who you is, dawg
 C
 Don't remember when it switched, but

D C
 Yeah, it's dark out here, you better believe it
 D C
 Yeah, it's dark

Acordes

D
 I felt a hole in my soul this evening
 C
 I thought it would be different after I left treatment
 D
 I stood up to a demon, mama, you should've seen it
 C
 Remember back when Alex had no front teeth?

D
 I do, I remember most of it
 C
 Back before I shed my shell, now I'm a ghost of it
 D
 Remember back when it was the four of us like ghostbusters
 Remember that?

C
 I ain't even know a democrat from a lumberjack
 Now it's mostly politics

D
 Now I work on holidays, now I'm worth all kinda things
 C
 Now kids pin me up in living rooms in they mama's place
 D
 Man, I moved out my mama's place and then I bought my mama
 place

C
 Then I replaced my mama with a white bitch from the Palisades
 D
 Then after she broke up with me, I became who my mama hates
 C
 I became my dad

D
 I would break promises that I would make to my favorite people
 C
 I'd cheat on my favorite bitch and then I would lie through my
 teeth

You remember when Alex had no front teeth?

[Final] D C
