

Domínio Público - A Nós Descei, Divina Luz

tom:

D

A nós descei, Divina Luz

A nós descei, Divina Luz

Em nossas almas acendei

O amor, o amor de Jesus

D

A nós descei, Divina Luz

A nós descei, Divina Luz

Em nossas almas acendei

O amor, o amor de Jesus

Vinde, Santo Espírito, e do céu mandai
Luminoso raio, luminoso raio

Vinde, Pai dos pobres, doador dos dons

Luz dos corações, luz dos corações

D

Vós sois a alma da Igreja. Vós sois a vida, sois o Amor

Vós sois a graça benfazeja, Vós sois a graça benfazeja

Que nos irmana no Senhor que nos irmana no Senhor
