

Don McLean - Castles In The Air

Tom: E

E E7M
And if she asks you why
A E Gbm7
you can tell her that I told you that I'm tired
B7 E Gbm7
of castles in the air, I've got a dream
B7 E Gbm7
I want the world to share and castle walls
B7 E E7M A E
just lead me to des pair.

E E7M
Hills of forest green
A E Gbm7
where the mountains touch the sky a dream come true
B7 E Gbm7
I'll live there till I die, I'm asking you
B7 E Gbm7
to say my last good bye, the love we knew
B7 E E7M A E
ain't worth another try.

(Refrão):
Gbm7 B7 E
Save me from all the trouble and the pain
A A (G#bass) F7 B7 Gbm7 B7 Gbm
I know I'm weak but I can't face that girl again
Gbm7 B7 E
Tell her the reasons why I can't remain
A Gbm7 Gb7 B7 Gbm7 B7 Gbm
Perhaps she'll understand, if you tell it to her plan

E E7M
But how can words express
A E Gbm7
the feel of sunlight in the morning in the hills,

B7 E Gbm7
away from city strife, I need a
B7 E Gbm7
country woman for my wife, I'm city born,
B7 E E7M A E
but I love the country life.

E E7M
For I will not be part
A E Gbm7
of her cocktail generation, partners waltz
B7 E Gbm7
Devoid of all romance the music plays
B7 E Gbm7
and everyone must dance I'm bowling out
B7 E E7M A E
I need a second chance.
