

Don McLean - Castles In The Air

tom:
 D
 And if she asks you why you can tell her that I told you
 That I'm tired of Castles in the Air
 I've got a dream I want the world to share in castle walls
 Just leave me to despair
 Hills of forest green where the mountains touch the sky
 A dream come true, I'll live there 'til I die
 I'm asking you, to say my last goodbye
 The love we knew, ain't worth another try
 Save me from all the trouble and the pain
 I know I'm weak but I can't face that girl again
 Tell her the reasons why I can't remain
 Perhaps she'll understand if you tell it to her plain
 Oh, but how can words express the feel of sunlight?

In the morning in the hills away from city strife
 I need a country woman for my wife
 I'm city born, but I love the country life
 For I will not be part of her Cocktail-Generation
 Partner's Waltz Devoid of all romance
 The music plays and everyone must dance
 I'm bowing out, I need a second chance
 Save me from all the trouble and the pain
 I know I'm weak but I can't face that girl again
 Tell her the reasons why I can't remain
 Perhaps she'll understand if you tell it to her plain
 And if she asks you why you can tell her that I told you
 That I'm tired of Castles in the Air
 I've got a dream I want the world to share in castle walls
 Just leave me to despair
