Don McLean - Croosroads

```
This is a nice song with only Don's voice and piano - no
quitar...
The lyrics and chords follow...
Listen to the album. The song itself isn't hard at all...
Good luck.
Crossroads (Don McLean)
Intro: G / Em / C / Am / D
  I've got nothing on my mind
            D
 Nothing to remember
 D
         Em
 Nothing to forget
                     D
          Am
 I've got nothing to regret
 But I'm all tied up on the inside
       D
 No-one knows quite what I've got
 And I know that on the outside
        C
 What I used to be - I'm not
    G C G
 Anymore
 You know I've heard about people like me
             D
                     G
 But I never made the connection
 They walk one road to set them free
 And find they've gone the wrong direction
 But there's no need for turning back
                  D
  'cause all roads lead to where I stand
 And I believe I'll walk them all
         D
                         G
 No matter what I may have planned
  Can you remember who I was
               D
 Can you still feel it
         D
  Can you find my pain
 Can you heal it
 And lay your hands upon me now
 And cast this darkness from my soul
                        Αm
 You alone can light my way
 You alone can make me whole
      G C
             G
 Once again
```

Crossroads (Don McLean)

I've got nothing on my mind
Nothing to remember
Nothing to forget
I've got nothing to regret
But I'm all tied up on the inside
No-one knows quite what I've got
And I know that on the outside
What I used to be - I'm not
Anymore

You know I've heard about people like me But I never made the connection They walk one road to set them free And find they've gone the wrong direction But there's no need for turning back 'cause all roads lead to where I stand And I believe I'll walk them all No matter what I may have planned

Can you remember who I was
Can you still feel it
Can you find my pain
Can you heal it
And lay your hands upon me now
And cast this darkness from my soul
You alone can light my way
You alone can make me whole
Once again

We've walked both sides of ev'ry street Through all kinds of windy weather But that was never our defeat As long as we could walk together So there's no need for turning back 'cause all roads lead to where we stand And I believe we'll walk them all No matter what we may have planned
