And when no hope was left in sight on that starry starry
nite

You took you life as lovers often do but I could of told you Vinvent $$\sf C$$

This world was never meant for one as beautiful as you

Starry starry nite portraits hung in empty halls Frameless heads on nameless walls with i\'s that watch the world And cant forget Like

The strangers that youve met, the ragged men in ragged clothes The silver thorn the bloody rose Lire crushed and broken on the Virgin snow

And now I understand what you tried to say to me
Am7 D7

How you suffered for you sanity how you tried to set them free

They would not listen theyre not listening still perhaps they never will
