

# Donavan - Atlantis

Tom: C

The continent of atlantis was an island  
 Which lay before the great flood  
 In the area we now call the atlantic ocean  
 So great an area of land, that from her western  
 Shores, those beautifulsailors journeyed  
 To the south and the north americas with ease  
 In their ships with painted sails  
 To the east africa was a neighbor across  
 A short strait of sea miles  
 The great egyptian age is but a  
 Remnant of the atlantian culture  
 The antedeluvian kings colonised the world  
 All the gods who play a part in the  
 Mythological dramas in all legends

From all lands were from fair atlantis  
 Knowing her fate, atlantis sent out ships  
 To all corners of the earth  
 On board were the twelve, the poet  
 The physician, the farmer, the scientist  
 The magician, and the other  
 So called gods of our legends  
 Tho' gods they were and as the elders  
 Of our time choose to remain blind  
 Let us rejoice and let us  
 Sing and dance and ring in the new  
 Hail atlantis!  
 Way down below the ocean  
 Where i wanna be  
 She may be
