

## **Donavan - Atlantis**

Tom: C

The continent of atlantis was an island

Which lay before the great flood

F

In the area we now call the atlantic ocean

C

So great an area of land, that from her western

C

Shores, those beautifulsailors journeyed

D

To the south and the north americas with ease

F

C

In their ships with painted sails

G

C

To the east africa was a neighbor across

D

A short strait of sea miles

F

The great egyptian age is but a

C

G

Remnant of the atlantian culture

C

The antedeluvian kings colonised the world

D

All the gods who play a part in the

F

Mythological dramas in all legends

## **Acordes**

From all lands were from fair atlantis

C
Knowing her fate, altantis sent out ships
D
To all corners of the earth
D
On board were the twelve, the poet
F
The physician, the farmer, the scientist
C
The magician, and the other
G
So called gods of our legends
C
Tho' gods they were and as the elders
D
Of our time choose to remain blind
D
Let us rejoice and let us
F
Sing and dance and ring in the new
G
Hail atlantis!
C
D
Way down below the ocean
F
C
Where i wanna be
G
She may be
