Tom: G (G D Em C)

I know, when you're down and out but you don't show it. From
 a million miles
 And shine on love 'cause when you do we can sail on through.
 Anything that
 comes our way anything that keeps me away from these sad songs
 yea' I keep
 moving on yea and baby when the night falls hard I'll comfort
 you through
 away, you never know why I can't stay but it's been so long
 yea it's been so
 wrong yea and the one thing I remember the most are those
 things you say and
 Good times bad times up again down again all feels like I
 just lost a
 friend. You give I take sorry for life's mistakes, and keepin'
 me away from
 friend. You give I take sorry for life's mistakes, and keepin'
 me away from
