Verso:

I remember those times
 When they said I wouldn't make it
 I told them I couldn't just do what they wanted and fake it

They said they'd be shocked if I could find another place to go
 And you know they said if I left I'd just be all left alone
 And then a friend said

Pré refrão:

Don't stop doing what you believe in
 Don't let them put you on a shelf

Refrão:

You've got to move by yourself, move by yourself tonight
 You've got to move by yourself, move by yourself tonight

Sometimes they can't forget
 Forget just what you've got
 But don't ever be no, no
 Somebody that you're not
 When there's a choice you've got to make
 Do what you feel, don't hesitate
 You know I will never, never forget what a friend said
 His words keep ringing in my head
 He said

Don't stop doing what you believe in
 Don't let them put you on a shelf

You've got to move by yourself, move by yourself tonight
 You've got to move by yourself, move by yourself tonight
 I said you've got to move by yourself, move by yourself tonight
 You've got to move by yourself, move by yourself tonight
 Oh move on, move on baby

Solo:

Move by yourself, move by yourself tonight
 You've got to move by yourself, move by yourself tonight
 You've got to move by yourself, move by yourself tonight
 You've got to move by yourself, move by yourself tonight

Essa é para a Beatriz !!!!
