

# Donavon Frankenreiter - So Far Away

Tom: A  
Intro: E EM7

E E7M Gbm Gbm7  
Remember those times on the telephone line

Trying to break through to you

I'm on the other side of this world

I wish I was there with you

All these days and all these nights

Thinking about you my friend

I can't wait to get back home

And do it all over again

Dbm7 A  
Even though I can hear your voice

Don't you know that touch is my choice

Even though I can hear your voice  
E E7M Gbm Gbm7  
You're still so far away

E E7M Gbm Gbm7  
Remember those times driving down the coast

Stopping at all the spots we love the most

Watching the wind blowing through your hair

Living our life like we just don't care

All these days and all these nights

Thinking about you my friend

I can't wait to get back home

And do it all over again

Dbm7 A  
Even though I can hear your voice

Don't you know that touch is my choice

Even though I can hear your voice  
E E7M Gbm Gbm7  
You're still so far away

You know that you're still so far away

I'm on the telephone but you're still

So far away

I'm over here but you're still

So far away

I let you know that

Dbm7 A  
Even though I can hear your voice

Don't you know that touch is my choice

Even though I can hear your voice
