

# Donavon Frankenreiter - You

Tom: D

(com acordes na forma de Capotraste na 2ª casa C )

Just take a look around  
 And tell me what you see  
 What a wonderful world  
 You know this could be  
 Don't get confused  
 on what you should love and when you should leave  
 Just don't seem to care about those things it used to bother me  
 Cause it's you, uhu, uhu  
 It's all I ever  
 Needed is you, uhu, uhu  
 It's gonna make it better  
 And I, I, I  
 I wanna love you tonight

Well you said don't ever  
 Lose your pace or  
 Get lost in this space  
 No matter where you're going  
 No matter what you say is  
 There's just so many faces keeping us apart  
 But soon there would just  
 Bring us right back to the start  
 Cause it's you, uhu, uhu  
 It's all I ever  
 Needed is you, uhu, uhu  
 It's gonna make it better  
 And I, I, I  
 I wanna love you tonight  
 (x2)  
 Oh, baby, baby, baby, baby, baby, baby
