

Donavon Frankenreiter - You

Tom: D

(com acordes na forma de Capotraste na 2ª casa C)

Just take a look around
 And tell me what you see
 What a wonderful world
 You know this could be
 Don't get confused
 on what you should love and when you should leave
 Just don't seem to care about those things it used to bother me
 Cause it's you, uhu, uhu
 It's all I ever
 Needed is you, uhu, uhu
 It's gonna make it better
 And I, I, I
 I wanna love you tonight

Well you said don't ever
 Lose your pace or
 Get lost in this space
 No matter where you're going
 No matter what you say is
 There's just so many faces keeping us apart
 But soon there would just
 Bring us right back to the start
 Cause it's you, uhu, uhu
 It's all I ever
 Needed is you, uhu, uhu
 It's gonna make it better
 And I, I, I
 I wanna love you tonight
 (x2)
 Oh, baby, baby, baby, baby, baby, baby

Acordes
