

# Donavon Frankenreiter - You

Tom: D

(com acordes na forma de C )

Capostrate na 2ª casa

Just take a look around

And tell me what you see

What a wonderful world

You know this could be

Don't get confused

on what you should love and when you should leave

Just don't seem to care about those things it used to bother me

Cause it's you, uhu, uhu

It's all I ever

Needed is you, uhu, uhu

It's gonna make it better

And I, I, I

I wanna love you tonight

Well you said don't ever

Lose your pace or

Get lost in this space

No matter where you're going

No matter what you say is

There's just so many faces keeping us apart

But soon there would just

Bring us right back to the start

Cause it's you, uhu, uhu

It's all I ever

Needed is you, uhu, uhu

It's gonna make it better

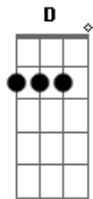

And I, I, I

I wanna love you tonight

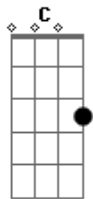

(x2)

Oh, baby, baby, baby, baby, baby, baby
