

Donna Summer - Dim all the lights

Tom: D
Intro: 2x: D Gbm C G

1. Dim all the lights, sweet darling, ?cause tonight it's all the way,
turn up the old Victrola, gonna dance the night away.

Love just don't come easy, no it seldom does,
when you find the perfect love, let it fill you up.

(C - G - F - A7)

2. Dim all the lights, sweet darling, ?cause tonight it's all the way,
hey, baby, turn up the old Victrola, gonna dance the night away.

Love just don't come easy, no, it seldom does.
when you find the perfect love, let it fill you up.

(C - G - F - A7) Hey, baby !

2. Dim all the lights, sweet honey, ?cause tonight it's you and me,
no need to worry, darlin', ?cause it's for eternity.

Love just don't come easy this you know I understand,

want to be your woman if you'll be my man.
Let yourself go freely and I'll show you things that you've dreamed of,
don't think that you're dreaming, we've found the perfect love.
and I'm like a cup, so fill me up.

3. Dim all the lights, sweet darling, ?cause tonight it's all the way,
woah, baby, turn up the old Victrola, gonna dance the night away.

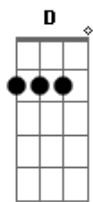

Do what you want, you can use me all up,
take me bottom to top, don't leave even one drop !

No, no, no, no, no, do it tonight, you know the moment?s so right,
turn my brown body white, come on, dim all the lights.

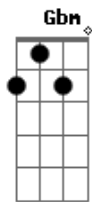

4. Dim all the lights, sweet darling, ?cause tonight it's all the way,
hey, baby, turn up the old Victrola, gonna steal your heart away.

Dim all the lights, sweet darling
