

Donovan - Catch The Wind

Tom: D

In the ^Dchilly hours

and ^Gminutes, ^DOf uncertainty,

I ^Gwant to be,

^DIn the warm hold of your ^Gloving ^Dmind.

To ^Dfeel you all ^Garound me,

And to ^Dtake your hand, ^Galong the sand,

^DAh, but I may as well ^Gtry and ^Acatch the ^Dwind.

^DWhen sundown

^Gpales the sky, I want ^Dto hide a while,

^Gbehind your smile,

^DAnd everywhere

^G ^A ^D

I'd look, your eyes I'd find.

^DFor me to love you ^Gnow,

^DWould be the sweetest thing, ^G'twould make me sing,

^DAh, but I may as well, ^Gtry and ^Acatch the ^Dwind.

^DWhen rain has

hung the ^Gleaves with tears,

^DI want you near,

^Gto kill my fears

^Dto help me to leave all my ^Gblues ^Abehind.

^DFor standin' in your ^Gheart,

Is where I want to be,

^Gand I long to be,

^DAh, but I may as well, ^Gtry and ^Acatch the ^Dwind.
