

Donovan - Catch The Wind

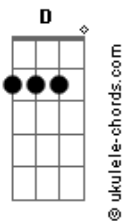

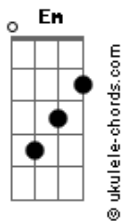

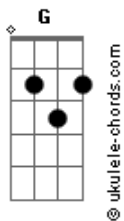

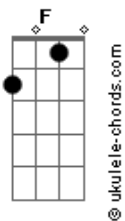

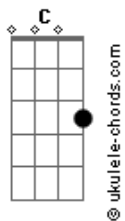

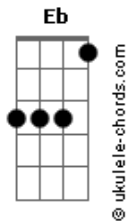

tom:
 Capotraste na 3ª casa
 Intro: C F G C F C G

In the chilly hours and minutes
 Of uncertainty, I want to be
 In the warm hold of your loving mind
 To feel you all around me
 And to take your hand along the sand
 Ah, but I may as well try and catch the wind

When sundown pales the sky
 I want to hide a while behind your smile
 And everywhere I'd look, your eyes I'd find

For me to love you now
 Would be the sweetest thing, would make me sing

Acordes

Ah, but I may as well try and catch the wind

Deedee dee dee, dee dee Deedee dede
 Dee de deedee Deede dee dee Dee de dee

When rain has hung the leaves with tears
 I want you near to kill my fears
 To help me to leave all my blues behind

For standing in your heart
 Is where I want to be and long to be
 Ah, but I may as well try and catch the wind
