

Doobie Brothers - South City Midnight Lady

Tom: G

G C
Up all night I could not sleep
G C C
The whiskey that I drank was cheap with you

D
cigarette
With shakin' hands I wait and I lit up my last

G C
Well the sun came the night had fled
G C C
And sleepy-eyed I reached my bed

G C G
I saw you sleepy dreamin there all covered and the street
warm

Refrão:

C Bm
South city midnight lady
Bb C C G
I'm much obliged indeed

G C G
You sure have saved this man who's soul was in
need

C Bm
I thought there was no reason

Bb C
For all these things I do
C Bm Am
But the smile that I said I've returned I'm

G C
When day has left the night behind
G C C
And shadows roll across my mind

I sometimes find myself alone and out walking

G C
Yes and when I'm feelin' down and blue
G C C G
Then all I do is think of you

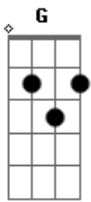

And all my foolish problems seem to fade away
