

# Doobie Brothers - South City Midnight Lady

Tom: G

Up all night I could not sleep  
 The whiskey that I drank was cheap with you

With shakin' hands I wait and I lit up my last  
 cigarette

Well the sun came the night had fled  
 And sleepy-eyed I reached my bed  
 I saw you sleepy dreamin there all covered and  
 warm

Refrão:

South city midnight lady  
 I'm much obliged indeed

You sure have saved this man who's soul was in  
 need

I thought there was no reason

For all these things I do  
 But the smile that I said I've returned I'm

When day has left the night behind  
 And shadows roll across my mind  
 I sometimes find myself alone and out walking

Yes and when I'm feelin' down and blue  
 Then all I do is think of you  
 And all my foolish problems seem to fade away
