

Douglas Germano - Cansaço

tom:

Intro: Cm Cm7 Cm Ab G Cm

Cansei
 De ver o melhor perder
 De ver o fraco morrer

De fingir liberdade

De ver tanta ironia
 Invertendo a verdade

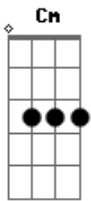

E a verdade trancada

Com quem deveria soltar
 Cansei

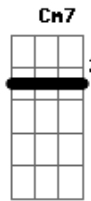

Mas quem não vai se cansar?
 Vendo tudo terminar

Sem nem ter começado
 Sem nem ter resistido
 Sem sequer um passado
 E o futuro guardado
 Com quem quer nos guiar
 Tanta solidão
 Tanta servidão
 E a gente cada dia mais feliz
 Tanta ingratidão
 Tanta incompreensão
 E a gente mais perto
 Do que nunca quis
