

Dove Cameron - As Long As I Have You

tom:
 Capotraste na 1ª casa
 Ab (forma dos acordes no tom de G)

I tried on my own, I thought I'd get there
 Around and round, but I was only getting nowhere
 Then you came along and gave me something
 Something that I could believe in, trust in
 And I won't go back again
 As long as I have you
 I can live like there's nothing left to lose
 You unbreak every fracture in my heart
 Nothing in this world could ever tear us apart
 They say you gotta take the good with the bad
 I'll take it all as long as I have
 You, oh

As long as I have
 You, oh
 I've been spinning circles in this ocean
 Stuck in my ways, but you put everything motion
 This time I want you to see the real me
 I wanna open up completely, deeply
 I'll never be alone again

As long as I have you
 I can live like there's nothing left to lose
 You unbreak every fracture in my heart
 Nothing in this world could ever tear us apart
 They say you gotta take the good with the bad
 I'll take it all as long as I have
 You, oh

As long as I have
 You, oh
 And I realize that now I'm better with you
 You got here right on time
 Yeah, you were my breakthrough
 You are my breakthrough

As long as I have you
 I can live like there's nothing left to lose
 You unbreak every fracture in my heart
 Nothing in this world could ever tear us apart
 They say you gotta take the good with the bad
 I'll take it all as long as I have
 You, oh

As long as I have
 You, oh
