 Oh, no

 Gbm B E Dbm  
 If you think for one second  
 Gbm B E Dbm  
 That I would  
 Gbm B E Dbm  
 Please  
 Gbm B E Dbm  
 I got way too many options  
 Gbm B E Dbm  
 To be over here  
 ( Gbm B E Dbm )  
 Gbm B E Dbm  
 Killing myself, just to give you life  
 Gbm B E Dbm  
 And you don't even care  
 Gbm B E Dbm  
 Laying there, taking it easy  
 Gbm B E Dbm  
 But that's not fair  
 Gbm B E Dbm  
 Don't need you to love me lazy  
 Gbm B E Dbm  
 Looks to me like you might need replacing  
 ( Gbm B E Dbm )  
 Gbm B E Dbm  
 Feeling yourself  
 Gbm B E Dbm  
 Wavy from my substance in your head  
 Gbm B E Dbm  
 Need a negative number of yous in my bed  
 Gbm B E Dbm  
 On perc-ies you drive me crazy  
 Gbm B E Dbm  
 You turn me off  
 Gbm B E Dbm  
 I'm all out of patience  
 ( Gbm B E Dbm )
