

# Dove Cameron - My Destiny

tom:

Intro: G D Em C

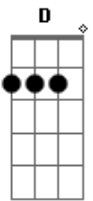

G  
 Everybody told me walk away  
 C  
 It isn't worth the fight  
 Em  
 Don't make waves and don't look back  
 C  
 And you'll be fine, yeah, right  
 G  
 Turns out that's not who I am  
 C  
 Or who I want to be  
 Em C  
 So I'm gonna try to simplify  
 G D  
 And be the perfectly imperfect me  
 G  
 I'm flying blind, but I know I'll find my destiny  
 D Em  
 I'm ready to do whatever it takes, my destiny  
 C  
 And I'm not afraid of making mistakes  
 G D  
 It might not be smart to lead with my heart  
 Em C

But that's how it's gonna be  
 G  
 No dream too small  
 D  
 Giving it my all  
 G  
 That's my destiny  
 Every day's a crazy ride  
 But I'll stay strong because I  
 G  
 I decide my destiny  
 D Em  
 Facing a long and difficult climb, my destiny  
 C  
 Learning to trust the mysteries of time  
 G D  
 There's not much of a plot, so like it or not  
 Em C  
 Gonna have to wait and see  
 G  
 I'll rise, I'll fall  
 C  
 And heed the call  
 D C  
 That's my destiny
