

# Dove Cameron - Sand

tom:

Intro: F G Am C

[Primeira Parte]

What's worse  
 Bein' wanted but not loved  
 Or loved but not wanted?

What's worse  
 Hearin' what you wanna hear  
 Or hearin' what's honest?

[Pré-Refrão]

Our love's misaligned  
 'Cause you're on my mind every night  
 I ignore the signs  
 And I don't know why  
 'Cause, baby, I

[Refrão]

I saw the end when we began  
 You couldn't love the way I can  
 I tried to bargain with the stars  
 For more than half your heart but  
 You have more pieces of me than the desert has sand  
 And I have less pieces of you than I can hold in my hand

[Post-Refrão]

Ooh, ooh, ooh  
 Ooh  
 Ooh, ooh, ooh

[Segunda Parte]

What hurts  
 Is the one thing that you wanna do  
 Is the one thing that you shouldn't do  
 What hurts  
 Is knowin' what's good for you  
 Just doesn't look good to you

## Acordes

 You couldn't love the way I can
