

# Dove Cameron - Someone You Like (ft. Ryan Mccartan)

Tom: C  
Intro: C E F G

C  
I saw you,  
With that ribbon in your hair  
Think that I began to stare,  
Maybe I'll love you for a while.  
A stranger, has a table in a place  
And the really pretty face  
I wonder what happens when you smile

E  
I might never be your hero,  
F Never been one to fight  
C But that don't mean that  
E I can't be your valentine  
C And I can't be your savior either  
F Couldn't even if I'd try  
C But I, I think that I could be  
F Someone you like.  
G Baby, I'll treat you right  
( C E F G )

C  
Reading,  
G In a coffe shop we shared,  
F Hidding shy behind my hair  
C Watching our movie in my mind

I promise, promise not to fly away,  
Make a story 'bout today  
C  
C'mon, give me a try

E  
No, I might never stop your sorrow,  
F Fix you up, good eyes new  
C  
That don't mean that I can't hold  
F  
Your hand in mine  
C  
I might never say "I'm sorry"  
F  
Even if I done you wrong,  
C  
But I think that I could be  
F  
Someone you like  
G  
Baby, I'll treat you right  
( C E F G ) x2

C  
I might never be your hero,  
F  
But I think I'd like to try,  
C  
And the way you look at me  
F  
Is your reply  
C  
Got a lot to learn about me,  
F  
Maybe you could start tonight  
C  
'Cause I think that I could be  
F  
Someone you like  
G  
Baby, I'll treat you right
