

Down Like Silver - Broken Coastline

Tom: Ab

(forma dos acordes no tom de G)

Capostrate na 1ª casa

Intro: G C G C

[Primeira Parte]

I've been driving a broken coastline
 Holding on to everything I want
 I've been trying to make this all mine
 Pushing faster before the light is gone

[Segunda Parte]

For a while now day's been breaking colder
 There's a wild wind driving me on
 All this time has only made me older
 Pushing faster before the fire's gone

[Refrão]

Would you know me if I walked through your doorway?

Would you hold me like you've done before?
 Will there be a place for me
 If I can't drive anymore?

(G C G C)

[Terceira Parte]

I've been driving alone so long a time
 Holding on with everything I've got
 I keep passing the same old road signs
 Pushing faster never knowing when to stop

[Refrão]

Would you know me if I walked through your doorway?
 Would you hold me like you've done before?
 Will there be a place for me
 If I can't drive anymore?

(G C G C G)
