(forma dos acordes no tom de D)

Capostrate na 1ª casa

Intro: G C G C

I've been driving a broken coastline  
 Holding on to everything I want  
 I've been trying to make this all mine  
 Pushing faster before the light is gone  
 For a while now day's been breaking colder  
 There's a wild wind driving me on  
 All this time has only made me older  
 Pushing faster before the fire's gone  
 Would you know me if I walked through your doorway  
 Would you hold me like you've done before

Will there be a place for me  
 If I can't drive anymore  
 ( G C G C )  
 I've been driving alone so long a time  
 Holding on with everything I've got  
 I keep passing the same old road signs  
 Pushing faster never knowing when to stop  
 Would you know me if I walked through your doorway  
 Would you hold me like you've done before  
 Will there be a place for me  
 If I can't drive anymore
