

Down Like Silver - Broken Coastline

Tom: Eb

(forma dos acordes no tom de D)

Capostrate na 1ª casa

Intro: G C G C

I've been driving a broken coastline
 Holding on to everything I want
 I've been trying to make this all mine
 Pushing faster before the light is gone
 For a while now day's been breaking colder
 There's a wild wind driving me on
 All this time has only made me older
 Pushing faster before the fire's gone
 Would you know me if I walked through your doorway
 Would you hold me like you've done before

Will there be a place for me
 If I can't drive anymore
 (G C G C)
 I've been driving alone so long a time
 Holding on with everything I've got
 I keep passing the same old road signs
 Pushing faster never knowing when to stop
 Would you know me if I walked through your doorway
 Would you hold me like you've done before
 Will there be a place for me
 If I can't drive anymore
