

# Downface - Ocean

Tom: D

G D Em  
 Circling colors surround my face  
 G D Em  
 I see the brightness of you  
 G D Em  
 Try to spend my pain in you  
 G D Em  
 It's all I've wanted, all this time  
 D A Bm  
 To travel the world with you  
 D A Bm  
 Is god up there watching you?  
 D A Bm  
 To spend a life with you  
 D A Bm G Bm G Bm  
 But the end is so much nearer  
 D A Bm  
 I go to the place where the ocean meets the river  
 D A Bm Bm  
 The sky goes on forever in my mind and I can see it's gray  
 D A Bm Bm  
 If all the reasons could be shown, and I could see you in the  
 light  
 D A Bm Bm

The flower in the pouring rain, would not be crushed beneath  
 the rock  
 G Bm  
 I'd die for you  
 D A Bm  
 Why do the seasons change, and why must it ever rain?  
 D A Bm Bm  
 Why must the weekends end, and why must the sunset ever turn  
 to night?  
 D A Bm  
 I don't know, why this all happens to me  
 D A Bm  
 Still I go on, I travel always towards the sea  
 G Bm  
 I'd die for you  
 D A Bm  
 All's I ever wanted was for you to see  
 D A Bm  
 Before you my life was misery  
 D A Bm  
 As the river flows to the sea  
 D A Bm  
 I hear you calling back for me  
 G Bm  
 I'd die for you
