

# Downhere - Raincoat

tom:

Intro: C Em Am G

I'm looking for a friend to hold the door

It's could outside when I don't know where to find

A sheltred place secluded from the race

Of this old life

And as I walked out in the downpour with no raicoat

I was soaked down to the bone from head to toe

Without my raincoat, anywhere I may go

I still get wet somehow

I found that friend, He's with me till the end

He's promised me that He won't forsake His own

And when a promise never ends

It can only mean one thing... It's from above

Now I walk out in the downpour with my raincoat

And after all is said and done He's still the One

With my raincoat, anywhere I may go... I know I'm all right

Yeh, yeh,yeh...

Now I walk out in the downpour with my raincoat

And after all is said and done He's still the One

With my raincoat, anywhere I may go... I know I'm all right

I'm all right, I'm all right, I'm all right... yeh, yeh, yeh...

Now I walk out in the downpour with my raincoat yeh, yeh, yeh...
