

# Downhere - Raincoat

tom:

Intro: C Em Am G

I'm looking for a friend to hold the door  
 It's could outside when I don't know where to find  
 A sheltred place secluded from the race  
 Of this old life  
 And as I walked out in the downpour with no raicoat  
 I was soaked down to the bone from head to toe  
 Without my raincoat, anywhere I may go  
 I still get wet somehow  
 I found that friend, He's with me till the end  
 He's promised me that He won't forsake His own  
 And when a promise never ends

It can only mean one thing... It's from above  
 Now I walk out in the downpour with my raincoat  
 And after all is said and done He's still the One  
 With my raincoat, anywhere I may go... I know I'm all right  
 Yeh, yeh,yeh...

Now I walk out in the downpour with my raincoat  
 And after all is said and done He's still the One  
 With my raincoat, anywhere I may go... I know I'm all right  
 I'm all right, I'm all right, I'm all right... yeh, yeh,  
 yeh...

Now I walk out in the downpour with my raincoat yeh, yeh,  
 yeh...
